Her Dam is a Tiara farms cow that is sired by MSP Special Reload 945 and out of a GS Emperor 135 daughter. This young heifer has all the pieces to make you a great one. ABBA # 1024276 | Haltered Heifer | May 27, 2020

This power house has been a favorite around here since she was born. She is a very Very moderate made female with a modern look. She's really flat and wide across her top that then ties into a beautiful head and neck set. She has been started on halter but not finished yet. Her pedigree is quite impressive. Her sire Mr Circle M 227 is a Mr BER Cash 336 son! Her dam is a Dyess Farms branded female that is a own daughter of JDH Mr Sanderson 923/1. You can't ask for much more in a pedigree and she's got the "Look" to back it up.

3 JDM MISS KYLEE 216/5 | JM CATTLE

ABBA # 959337 | Bred Cow | April 3, 2017

JDM Miss Kylee 216/5 is one that we know we'll regret getting rid of. We were asked to bring some of our best and we feel like this one is right up on the top end of that Spectrum. Although she is grey pedigreed and registered grey we feel that 216/5 is a great candidate for a grey herd or a red one. She throws some of the deepest cherry red calves off of dark pigmented grey sires. We successfully campaigned this heifer with lots of success. She's one that is just plain cool from every angle. She's good footed with excellent structural makeup, heavy boned and a flawless udder. She's sired by the RLB Mr 301 bull that is a son of none other than JDH Mr Fusig Manso 226/1! Her dam's pedigree is not to be taken for granted either. She's has some of the old time greats. We're talking about MSP Special Reload 945, JDH Mr Manso 236/6 even GS 135. She comes to the sale extremely gentle and bred to our All American Grand Champion Bred & owned Bull JDM Mr Sarg 117.

4 FF MISS RUBEN BROSS 128 | JM CATTLE

ABBA # 899836 | Bred Cow | March 4, 2011

This is a cow that has done a very good job for us. She raised the FF Lady Zula 620 heifer that Kylee campaigned early on in her show career. She's been one that we know will put a good calf on the ground every year. She's good footed, structurally correct in her make up and extremely easy to handle. She's got a heck of a pedigree to back her up. She's a JDH Mr Ruben Manso 549/1 daughter which goes back to the great JDH Echo 237/1 Bull that is a JDH Liberty Manso 847/5 son. Then on the bottom she's Out of a JDH Milligan Manso 107 daughter. 107 is sired by the one and only JDH Bross Manso 949/2. This is a cow that will come in and be a front pasture type cow. She comes heavy bred to our All American Bred & owned champion JDM Mr Sarg 117

ABBA # 995030 | Bull | October 14, 2018

Don't miss this black, polled herd sire prospect. They're hard to come by! NC Polled Deets combines growth, substance of bone and eye appeal. You'll like his clean lines. He is extremely long bodied, level topped and has a good sheath. He's sound footed with plenty of bone and travels easy. He comes from productive, fertile cow families on top and bottom of his pedigree. He should sire some excellent females. Very docile bull that was shown as a calf and is now ready for a herd of his own.

27 MISS BRIDGETT BBF 02 | BARTLAM BRIDGE FARM

ABBA # 1016798 | Open Heifer | January 20, 2020

This is a female that came straight out of the keeping pen!! If you're looking for one to perform in the showring and in the pasture, Bridgett 2 is the way to go! She is one that will excel in anyone's replacement female program. This heifer will catch the eye of any judge with her cow power as you look from the side. The center body and depth of rib on this female is crazy at such a young age. She's level topped, and square hiped when you step in behind her. Bridgett 02 catches your eye from whatever angle you look at her from! She is sired by D Bar Mr. 270/2 an own son of JDH Mr. Apollo Manso. Her grandsire, Mr. V8 421/6 was purchased straight out of the V8 show barn by Stanley Knight. V8 421/6 is sired by JDH Sir Parker, who has been used successfully around the world and one of the leading donors, Miss V8 933/5, who produced 3 top sellers in the International sale, including the All Time High Selling lot for \$50,000 and two winners for the V8 Ranch including the 501/7 herd sire. When you look at her on paper she's definitely a stand out. She ranks in the top 15% for weaning weight and docility, top 10% for frame score and fat thickness. Watch this female closely ladies and gentleman! You won't want to miss this one on sale day! This one is going to have a bright future ahead and we look forward to seeing her progress! Bartlam Bridge stands behind their cattle 100%!

28 MISS BRIDGETT BBF | BARTLAM BRIDGE FARM

ABBA # Pending | Open Heifer | May 20, 2020

Take a look at this stylish female!! Miss Bridgett BBF 33 might be the greenest in her condition out of all the ones we are offering, however in the long run she'll be the best out of all of them! This heifer is the definition of ladylike and feminine. We love the shape to this one's head, the smoothness, and extension that is all present in her front. Move on down and you'll see how deep bodied this female is and also how deep flanked she is. Bridgett 33 offers a lot muscle shape to her, but still remains fresh in her appearance. As you look at the genetics of this great female you see that she is sired by D Bar Mr. 349/2 our son of Mr. SNS Riggins a (+) JDH Woodson De Manso son x JDH Lady Delores Manso. If your looking for a heifer that could possibly be a show heifer and win a lot of banners down the road, than this is the one for you. We are VERY proud of the performance that these females like this portray about themselves. Breed this heifer to a great bull and you won't be disappointed in the offspring. Bartlam Bridge stands behind their cattle 100%!

31 MISS BRIDGETT BBF 03 | BARTLAM BRIDGE FARM

ABBA # 1016799 | Haltered Heifer | January 21, 2020

Miss Bridgett BBF 3 is our favorite calf in our lineup in terms of overall mass and volume! You can't help but look twice when you see how deep sided and boldly sprung this female is! She does all of this in an ultra feminine package, as she is long and extended out of her shoulder and clean in her chest floor. We love the angle to her hock and pasterns and greatly admire how this one moves across the pasture. The genotype of this female is quite interesting with her being sired by D Bar Mr. 349/2, our direct son of Mr. SNS Riggins 152/2. The dam of 03 is sired by a very successful bull that DR. CARL K. MCKENNEY purchased from the V8 Ranch. As you look throughout the pedigree many bulls are highlighted such as (+) JDH WOODSON DE MANSO, (=) MR. V8 332/4, and JDH MR MASSEY MANSO. Not only does this females look prove that she has cow power, but when you look at her EPD's you see that she ranks in the top 3% for calving ease. It doesn't get much better than that! Take this heifer, breed her, and turn her out into the pasture. She will catch the eye of everyone that passes by your place! Bartlam Bridge stands behind their cattle 100%!

Kyros is siring champions not on in the US but semen is being sold all over the world. In fact he just sired the 2021 reserve grand champion junior female at Houston. The dam to Polled Paisley is TTT Ms. Suva Kara 619 who is a regular calver and extremely good producer of embryos indicating superior fertility. We purchased her from Moreno ranches catalyst 7 sale as a 10 year old cow for 15,000. We saw the success moreno ranches had with her as a donor and we knew she would make an impact in our herd. For the progressive breeders who are looking for polled cattle that have the "look," a proven pedigree, and performance you will appreciate that Polled Paisley ranks in the top of the breed for Growth & Ribeye Area which is many times considered one of the shortcomings. ABBA # 1007770 | Bull | November 1, 2019

Mr Ward Ranger 17/9 was a former show bull for us that was a many time class winner and competitive bull. He is still halter broke and as such is extremely gentle. Ranger is sired by JDH MR MANSO 122/1 an outstanding herd sire we purchased from JD Hudgins. He is sired by the famous sir Richard 638 bull which is still used heavily in many herds around the nation. Ranger's dam is a great maternal ford farms cow FF lady Maddie 640/1. She is sired by the popular Mr Sg 85/1 bull that worked so well for ford farms on many mating's. Ranger is docile, structurally correct and will go to make a great herd sire in your operation.
